3rd Grade ELA TEACHER

POSITION AVAILABLE: August 2017

SALARY: Competitive, commensurate with qualifications and experience

APPLICATION DEADLINE: Applications reviewed until position is filled

RESIDENCY: City of Milwaukee Residency is NOT required

VISION OF THE CYBERSCHOOL

The Central City Cyberschool of Milwaukee is a public, charter, elementary school located in and designed to serve residents of Milwaukee's urban center. In 2016, the Wisconsin Department of Public Instruction's Report Card rated the Cyberschool in the "Exceeds Expectations" category of K-8 schools, and the City of Milwaukee's Charter School Review Committee's annual report of the Cyberschool placed it in the "Exemplary/High Performing" category.

The Cyberschool opened a newly-constructed, state-of-the-art building to educate 400 students in grades K through eight (K-8) in the fall of 2000. The Cyberschool is a student-centered learning environment where teamwork is promoted and high expectations are held out for each student, teacher, parent, staff member, community member and partner. Every staff member and student is provided with access to a laptop computer and the Internet.

The mission of the Central City Cyberschool of Milwaukee is *to motivate in each child from Milwaukee's central city the love of learning, the academic, social and leadership skills necessary to engage in critical thinking, and the ability to demonstrate mastery of the academic skills necessary for a successful future.*

RESPONSIBILITIES

Team-teach students in two 6th grade classrooms within our K-8 school. The other member of the 6th grade instructional team is responsible for mathematics instruction. The literature-based Language Arts curriculum allows students to develop critical thinking and comprehension abilities while learning to love quality literature. Teacher is responsible for implementing a classroom-based assessment system that informs instructional focus areas, meets students' needs, monitors understanding, and evaluates growth in students' abilities to read and respond to text. Teacher is also responsible for the integration of technology into a comprehensive ELA curriculum, to attain high standards of student achievement.

QUALIFICATIONS

Wisconsin teacher certification license preferred OR eligibility for emergency permit required. Successful experience with *Daily Five* and *Café* for reading instruction, and *Lucy Calkins* for writing, preferred. Minimum two years experience and demonstrated success with urban students preferred. Willingness to develop professionally and to play a leading role in promoting the Cyberschool's mission required.

Candidates are invited to apply through the WECAN site OR download the job application from the Cyberschool's webpage at www.cyberschool-milwaukee.org, and submit via **email (to cfaltz@cyberschool-milwaukee.org), fax (414-444-2435) or post to:**
