**POSITION AVAILABLE:** Immediately, Full-time preferred, Part-time considered

**SALARY:** Competitive, commensurate with qualifications and experience

**APPLICATION DEADLINE:** Applications reviewed until position is filled

**RESIDENCY:** City of Milwaukee Residency is NOT required

### **VISION OF THE CYBERSCHOOL**

The Central City Cyberschool of Milwaukee is a public, charter, elementary school located in and designed to serve residents of Milwaukee's urban center. In 2016, the Wisconsin Department of Public Instruction's Report Card rated the Cyberschool in the "Exceeds Expectations" category of K-8 schools, and the City of Milwaukee's Charter School Review Committee's annual report of the Cyberschool placed it in the "Exemplary/High Performing" category.

The Cyberschool opened a newly-constructed, state-of-the-art building to educate 400 students in grades K through eight (K-8) in the fall of 2000. The Cyberschool is a student-centered learning environment where teamwork is promoted and high expectations are held out for each student, teacher, parent, staff member, community member and partner. Every staff member and student is provided with access to a laptop computer and the Internet.

The mission of the Central City Cyberschool of Milwaukee is *to motivate in each child from Milwaukee's central city the love of learning, the academic, social and leadership skills necessary to engage in critical thinking, and the ability to demonstrate mastery of the academic skills necessary for a successful future.*

### **QUALIFICATIONS**

The Cyberschool is currently interviewing for a special education team member to work closely with students, staff and parents to facilitate student success. Responsible to develop and implement Individual Education Programs, in consultation with colleagues, and to work collaboratively with special education and regular education team members. Knowledge of child development required, as well as expertise in assessing and diagnosing learning deficits, and providing appropriate support to meet students' IEP goals. Will serve as a member of IEP teams, as well as provide instruction to children. Ability to develop constructive relationships with students, parents, and staff required.

Wisconsin certification as Special Education Teacher required. Special consideration will be given to candidates with a cross-categorical license. Minimum two years experience and demonstrated success with urban students preferred. Willingness to develop professionally and to play a leading role in promoting the Cyberschool's mission required.

Candidates are invited to apply through WECAN, OR download the job application from the Cyberschool's webpage at [www.cyberschool-milwaukee.org](http://www.cyberschool-milwaukee.org), and submit via **email to cfaltz@cyberschool-milwaukee.org**, or fax to **414-444-2435**, or post to:
